

WHAT ARE PLATINUM SEATS?

Platinum Seats are premium tickets to concerts and other events made available by artists and event providers.

They give fans fair and safe access to some of the best seats in the house.

ARE PLATINUM SEATS RESALE TICKETS?

No. Platinum Seats were not purchased initially and then posted for resale; they are being sold for the first time. Platinum Seats enables market-based pricing (adjusting prices according to supply and demand) for live event tickets, similar to how airline tickets and hotel rooms are sold. The goal is to give the most passionate fans fair and safe access to the best tickets, while enabling artists and other people involved in staging live events to price tickets closer to their true value.

WHY CAN'T I BUY PLATINUM SEATS FOR CERTAIN EVENTS?

Currently, Platinum Seats are not available for all events. Be sure to check back often as new events are continually being added.

WHAT IS THE CURRENT PRICE PER TICKET?

The price you pay is the original price of the ticket. Platinum Seats were not purchased initially and then posted for resale; they are being sold for the first time on the Owensboro Sportscenter's ticket sales site on behalf of the artist or event provider. **Note:** *prices can increase or decrease at any time and there are no exchanges or adjustments for previously purchased tickets.*

WHERE CAN I BUY PLATINUM SEATS?

Platinum Seats are currently only available online through OwensboroTickets.com.
